QUALITY TRANSLATIONS

The requirement for high quality translations is an increasingly important feature of today's international marketplace. Accurate translations are essential, not simply to enhance the image and credibility of your company, but also to avoid potentially expensive misunderstandings.

In this context, developing a productive relationship with a reliable provider of language services is a crucial factor in maximizing your potential in overseas markets. Docaware is ideally suited to fulfil that role.

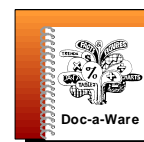

Doc-a-ware offers a high-quality translation and editing service in all language combinations.

Having access to a worldwide network of highly skilled professional translators with many years' experience in the technical sphere, we share a keen understanding of the needs of commercial and industrial clients.

All translations are overseen and rigorously checked by our in-house team. Projects are carefully monitored from beginning to end, ensuring that deadlines are always met and that texts are 100% accurate from a linguistic, technical and cultural viewpoint.

Aware of the Importance
of Documenting

We translate a wide variety of documentation from and into all the world's major languages: complex operating manuals and detailed specifications, company reports and brochures, as well as advertising materials and commercial letters.

We cover a wide range of subjects, including:

ADVERTISING AND PROMOTION
CATALOGUES
COMMERCE
GENERAL ARTICLES
IMPORT/EXPORT DOCUMENTATION
INFORMATION TECHNOLOGY

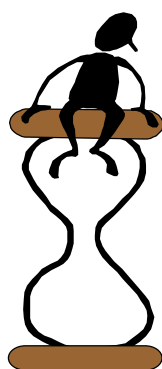

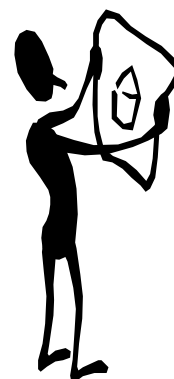

MARKETING
MECHANICAL ENGINEERING
PROGRAMMER'S GUIDES
SCIENTIFIC REPORTS
SOFTWARE MANUALS
TELECOMMUNICATIONS

EFFICIENCY, ACCURACY AND FLEXIBILITY

All translations are rigorously checked and proofread to ensure their utmost accuracy at all times.

We are familiar with several platforms, including PC, Macintosh, and Unix. Besides, our translators may be linked via the Internet.

We can also offer you WWW Home Page editing and translations, which are done by members of our staff with vast knowledge of HTML.

SPECIAL FAST SERVICE

Translations can be delivered either as a laser-printed hard copy or in digital form (on diskette, by modem or via e-mail) in the most common word-processing formats.

We are able to respond quickly and efficiently to your needs. When translations are required urgently, they can be sent to us by fax or e-mail and we shall ensure that they are returned to you within a few hours or days (depending on their length).
